

*Salute To
Volunteerism*

Partnerships in Action

Shell Oil Company, Volunteer Houston, and the Mayor's Office of the City of Houston have worked together to bring you this event. In partnership, we will share the stories of quiet citizens who choose to spend their time improving lives for their neighbors. Through our separate work, the Mayor's volunteer initiatives, and Volunteer Houston's support services for community volunteers, we are daily reminded of the good work by each of you that builds the character of this city. It is with great pride that we come together tonight to salute a few of those individuals who have made service to others a priority in their life.
